

English

This term we will be exploring a book called Dear Earth, written by Isabel Otter and Clara Anganuzzi, we will look at letter writing and information leaflets.

We will then end the term exploring a book called Bonkers about Beetles by Owen Davey where we will look at non-chronological reports, fact files, diagrams, descriptive passages.

In our **guided reading** we will read the book George's marvellous medicine by Roald Dahl, we will focus on our retrieval, inference and sequencing skills to help with our comprehension.

The Arts

In DT we will be looking at Food and Nutrition this term, looking at our chopping skills and learning about food hygiene and safety.

In Music we will develop our skills in listening to music, singing, playing instruments, improvising and performing.

Newsletter

Squirrels, Hedgehogs and Owls

PE

This Term's sport for Squirrels is dance and gymnastics.

This Term's sport for Owls and Hedgehogs is dance and athletics.

Science

This term we will be learning about Animals including Humans.

We will notice that animals including humans have offspring which grow into adults.

Find out about and describe the basic needs of animals, including humans for survival.

Describe the importance for humans of exercise, eating the right amount of different types of food and hygiene.

We will work by identifying, grouping and classifying, observing changes over time, comparative testing.

History

This term we will be researching into Why we should remember Sir Joseph Banks. We will look into who he was, what era he was born into and learn about his early life.

We will explore his historical significance, explore cause and consequence behind his expeditions, we will investigate as well as look at comparing his impact to global influence.

Maths

This term we will be exploring:

- Number and Place value and Statistics (Y2)
- Addition and subtraction
- Multiplication.

We will continue to use concrete objects and pictorial representations to support our learning this term and use these different strands to help us with our problem solving.

Computing

We will be finding out about how to create Digital Music through creative media.

Religious Education

In RE we will be focussing on Easter.

We will tell stories of the holy week and Easter from the bible. We will recognise the link with the idea of salvation and we will talk about heaven and what it might be like.
