

Year 5 Term 6 Curriculum

Welcome back to our new term!

Please remember this term...

Reading books, planners in school every day. Homework will be provided following our normal format of a choice of activities from different curriculum areas. Children can select on a weekly basis which ones they would like to complete. Please continue to hear your child read regularly and encourage them to complete their Times Table Rockstars sessions.

PE day is now Tuesday.

As Coningsby Authors we will...

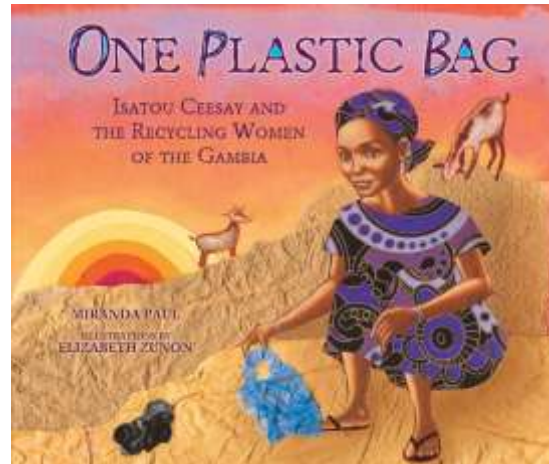

be responding to our text for this term "One Plastic Bag". We will be writing our aboriginal dreamtime stories and presenting our own TED talk. Linking to 'Ocean Day' and 'Environment Week' we will be writing a letter of apology to the ocean.

As Coningsby Geographers we will...

learn about the effects of tides and waves and how erosion helps shape our coastlines. We will be learning about Australia as a country and as part of this we will be comparing the coastlines of the UK and Australia with a particular focus on the Great Barrier Reef.

As Coningsby Scientists we will...

be exploring properties of materials, identifying their key uses through comparing and sorting them. We will learn about the effect of waste on the planet. We will be focussing on reducing, reusing and recycling materials.

As Coningsby Mathematicians we will...

learn how to accurately measure angles, using a protractor, followed by properties of shapes (2D and 3D), position and direction – coordinates, converting various units of measures and measuring volume.

As Coningsby believers we will...

read and discuss the Bible story of The Armour of God Ephesians 6: 10-18

We will continue to learn about expressing religious beliefs focussing particularly on how architecture reflects the beliefs of that religion. We will also end the year reflecting on 'Who is God to you?' and 'Is prayer useful?'

As Coningsby Artists & Designers we will...

be researching the work of an artist (Ken Done) and use his work to replicate a style. We will also explore aboriginal art and artists.

As part of our music work we will...

Learn how didgeridoos are created and played and we will also listen to traditional Australian aboriginal music to identify the different instruments used.
