

Australian Landforms Map Activity

Cut out the labels, then place them on the map of Australia.

Remember to:

- Place each label accurately on the map.
- Use a pencil to sketch the area the landform covers on the map.

Gibson Desert	Shark Bay	Australian Alps	Hammersley Range
Great Artesian Basin	Simpson Desert	Blue Mountains	Kimberley Plateau
Great Barrier Reef	Tanami Desert	Cape York Peninsula	Lake Eyre Basin
Great Dividing Range	Uluru	Darling Range	MacDonnell Ranges
