

	Owls, Hedgehogs, squirrels	English text for the term The Night Gardener	Science focus for the term – Animals Including Humans –	RE focus for the term: Christmas	
<p>At Coningsby St Micheals we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children’s completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school. Please ask parents, family members or friends to join in and have fun. You can you use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs.</p>					
Maths Year 1 – Pick 2 numbers between 1-10 and add them together, if you find this too easy then pick a 2-digit number and a 1-digit number and add them together. Double the number add 1 more Double the number take away 1 Pick 3 1 digits number add them together. Year 2 - Pick 2 2digit numbers and add them together, how can you check if they are correct? Pick 3 1 digits number add them together.		English Practice Year 1 and Year 2 common exception word list. Practice these with different spelling strategies that are on your class website pages. Practice handwriting by copying out and focussing on your letter formation of your favourite songs/ poems/ short stories.		Science Carry out your own investigations at home! See if your parents can do a puzzle quicker than you, or an activity of your choice. Measure your family’s heads and make a table of the results. You could then plot them on a bar graph!	Art/DT Draw a lifecycle of your choice. Can you describe what is happening at each stage?
RE Sequence the Christmas Story using pictures then write a sentence underneath each picture.		PSHE Design a poster to show how to stop pollution in our oceans and seas.		ICT Can you take photos I landscape and portrait?	Phonics Keep practising your phonics through the RWI videos
Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Children need to read their books 3/4 times so they understand it.			Maths – All children from Year 1 to Year 6 have all been provided with a log in for Numbots, TT rockstars Children should be completing at least 3x5 minutes each week.
