

Class:
4B and 4E

WB: 6.7.20

Learning question for the term:

Are we just one country?

RE focus for the term:

Pilgrimage

Science focus for the term:

Electricity and circuits

Geography focus for the term:

Island around the UK and their features

English Texts for this term:

The Queen's Orang-utan

Below are some activities so that children can continue their learning during the school closure.

Maths
Go to Oak National Academy
<https://classroom.thenational.academy/subjects-by-year/year-4/subjects/maths>

Work through lessons 11 - 15 on: *Solving Measures and Money problems* (1 lesson per day).

English
Your task is to write a story where your main character is an orang-utan. It could be a rescue story or an adventure story.
When writing your story think about:

- Settings
- Characters
- Plot
- 5 parts to the story – opening, build up, problem, resolution and ending
- Powerful adjectives / adverbs
- Use of direct speech
- Complex and compound sentences
- Use of simile and metaphor

English – Spellings – Prefixes
Here are some prefixes:
in-
il-
im-
ir-
They all mean 'not'
Match the correct prefix with following root words. Then write a sentence for each one. For example: She found the ice cream irresistible.

active	mature	regular	legal
capable	mobile	rational	literate
credible	possible	responsible	legible
accurate	patient	resistible	logical
	polite		

Art
Children's Art Week runs from Monday 29th June – Sunday 19th July. Over the 3 weeks there is a different theme each week. This week's theme is Connecting Across Generations.
The challenge is simple – to make a sculpture in less than five minutes from objects and materials you can find in your home.
1. Work together with a parent or grandparent
2. Take a look around your home and collect objects that interest you
3. Spend some time playing with these objects. You could try anything: balancing, hanging, tying, scrunching etc.
4. Decide on your final sculpture and take a picture!

PE - Gymnastics
Have a go at the 'Move To The Beat' activity on the following webpage:
<https://www.youtube.com/watch?v=ALmZzLVORas&list=PLnwoPgo24bhmqV8Y76iXnwYw9T9Alxbqj&index=27&t=0s>

RE
Is there a special place that you have always wanted to visit but never had the opportunity?
Write a description of your special place and why you want to visit it.
What makes it special to you?
Do you think you ever get to visit your special place?

Geography
Using the Scottish Island Information Cards on the Year 4 year group page on the school website, have a go at the Scottish Islands Reading Comprehension Activity on the next pages.

French
See the separate activity on the Year 4 class page of the school website.

Science
Look at the following website:
<https://www.bbc.co.uk/bitesize/topics/z2882hv>
Watch the videos, read the information and have a go at the activities for:

- What is electricity?
- What are conductors and insulators?
- What is power?

Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. We would love to know about what books you have been reading, so why not write a book review when you have finished!

Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
