

EYFS Term 2 Curriculum Newsletter

We hope you have all had a great half term break and are ready for another super term, especially with the run up to Christmas!

Please can we remind you to bring a pair of wellies into school if possible. We try and make use of our EYFS garden as much as possible and we know the weather this time of year can be very unpredictable!

This term, RC has PE on Thursday and RH on Friday. Please ensure that your child brings their PE kit to school on these days.

As Coningsby authors we will be...

Exploring our topic texts and begin to use our super phonics knowledge in our writing. Towards the end of term, we will be writing Christmas cards and letters to Santa.

As Coningsby scientists we will be...

Exploring our 5 senses to help us describe different objects, places and people. We will be completing different STEM challenges in our classrooms to develop our understanding of the world around us.

As Coningsby believers we will be...

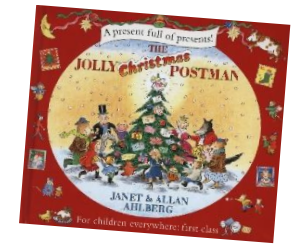

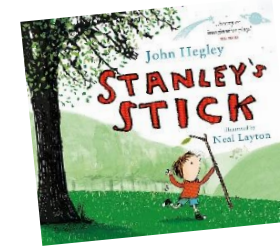

Learning about people who are special to us and special to a religious community. We are excited to be performing the nativity this term and learning all about the Christmas story.

We will also be exploring our church school value 'perseverance' with our school family in collective worship sessions.

As Coningsby mathematicians we will be...

Exploring different representations of numbers up to 5. We will also be looking at how 1, 2 and 3 are made. We will be looking closely at the one more and one less relationship between numbers. At the end of term, we will be looking at time and the difference between night and day.

“Can you make crazy creations and marvellous music?”

This term we will be looking at different inventors and making our own crazy creations. We will learn about our local area and our important RAF links.

We will have great fun making our own Christmas gifts and music. We are especially excited to decorate our school and EYFS Christmas trees together!

As Coningsby artists we will be...

Making Rangoli patterns for Diwali using different resources. We will learn about fireworks and create our own firework pictures. We will be creating different Christmas songs to play to each other. We will also be doing lots of Christmas crafts to help decorate our classrooms.
