---	---------------	--	--	---

At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.

Please ask parents, family members or friends to join in and have fun. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.

<p>Maths – Calculate the area and perimeter of different rooms in your house. Which room has the greatest perimeter? Which room has the smallest perimeter?</p>	<p>English – write a poem about a mode of transport and their function.</p>	<p>Science – Make a list of everything that you use in a day that uses electricity. Write a paragraph about how your life would be different if we didn't have electricity or make a list of different things that you could do in a powercut that don't use electricity.</p>	<p>DT – design a new smoothie flavour and create a poster advert for it.</p> <p>Who will the target market be?</p> <p>How much will it cost?</p>
<p>RE – Write a prayer or poem for a new baby. What would your wishes and hopes for their future be?</p>	<p>History – write a report answering the question: How do crime and punishment today compare to the past?</p>	<p>PE – For sports day practise some skills such as skipping, egg and spoon, running and football dribble.</p>	<p>PE – Practise striking skills in the garden or in the park. How many successful strikes with a tennis ball and racket can you do?</p>
<p>English – Write a story about truthfulness.</p>	<p>PSHE – Write a letter to a friend advising how to be a good friend including how to use social media appropriately.</p>	<p>Maths – With your PE homework, measure the distance that you can hit the ball and place it in a bar chart. Record 10 different distances. Describe what your bar graph shows.</p>	<p>Cooking – Make your favourite summer dish and send us a photograph of it.</p>
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.</p>		<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.</p>
