

	Class: Year 1/2 Hedgehogs, Squirrels and Owls	Science focus for the term: Living things and their habitats	English text for the term Rosie Rever engineer The Journey Home	RE focus for the term: Thankfulness
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. We would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p> <p>Parents, family members or friends can all join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members.</p>				
Maths – Year 1- Practice counting, reading and writing numbers 50-100. e.g 1= One, 2 = Two, 3= Three... Year 2- Count, read and write numbers to 100. e.g 1= One, 2 = Two, 3= Three...		English – Please practice the spellings of common exception words for term 3. Year 1- they, here, there, where, love, come, some, one, once, ask, friend, school, push. Year 2- after, beautiful, Christmas, even, fast, gold, half, improve, last, many, old, parents, should, told, water, Please use the spelling strategies on our website page to support with learning them.	Geography – Find a world map (you can use one from a book, the internet, or print one at home). Colour in each continent using a different colour. Can you name all seven continents? Fill in the missing letters: 1. A _ _ A 2. E _ _ _ E 3. A _ _ _ _ C A 4. A _ _ _ _ A 5. S _ _ _ H A _ _ _ _ A 6. N _ _ _ H A _ _ _ _ A 7. A _ _ _ _ C A	RE – Reflection Journal: Write or draw three things you are thankful for, for each week of this term. Maths - Practice KIRFs 1 and 2. These can be accessed on our website page. All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
Science – My dream habitat: Imagine you could design a new habitat. What animals and plants would live there? Draw a picture of your dream habitat and write one sentence about it!		PSHE – Healthy me: Start recording in a little notebook healthy things that you can do everyday. Think about: Eating fruit and vegetables, going for a walk or playing outside, how much sleep do you get? How much water do you drink?	The Arts – Research Andy Warhol and create a fact sheet about him. Challenge: Can you re-create one of his pictures that you like.	English - Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Please record in reading diaries.
