

	Year 6	Learning question for the term Did Henry VIII change my life?	Science focus for the term Electricity	RE focus for the term Life Journey
At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school. Please ask parents, family members or friends to join in and have fun. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.				
Maths – Write 5 significant dates in Roman numerals eg your birthday.		English – Write a diary entry about a day in your life.	Science – Look at the benefits of renewable energy. Choose a renewable energy source and make a poster about it.	Art – Draw a portrait of Henry VIII and his wives.
RE – Create a comic strip of the key events in your life.		History – Design a Tudor feast.	Science – Draw a circuit diagram to explain how the lights in your bedroom work.	PE – Practise throwing and catching skills in the garden or in the park. How many successful catches can you complete against a wall or with a partner.
English – Write a story about a magic ring.		PSHE – Write a letter to a friend advising how to be a good friend including how to use social media appropriately.	Maths – Find out how long Henry VIII was married to each of his wives and put this in order.	Cooking – Make something that would be part of your Tudor feast.
Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.			Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
