

# Long Term Plan 2024- 2025

## Excellence, Exploration and Encouragement powered by Equity

The LAAT window allows us to see:

- The past, on which we build
- The present, for us and for others
- The future we seek to become.

Grounded in faith, we seek to see and understand all in our diverse communities and beyond.

Every pupil has the right to flourish, academically, physically, emotionally, and spiritually, through an educational experience based on Excellence, Exploration and Encouragement.

Every pupil has the right to receive what they need. And every child will need different things at different times. Providing this, is Equity at work.
