

	Classes – Owls, Squirrels, Hedgehogs	Learning question for the term– What is Remembrance?	Science focus for the term – Animals Including Humans	RE focus for the term – Christianity.
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p> <p>Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
Maths Pick a number between 1 and 100 and find 1 more and 1 less, do this 10 more times! Year 2 Do this for 1 and 10 more or less than a given number to 100! Then pick a number between 1 and 20, double it then half it, what do you notice?	English Look at a picture of an animal, or choose your favourite, can you write a description of it? Make it more interesting by using expanding noun phrases and conjunctions.	Science Choose an animal, what animal family does it belong to and why? Then can you make a fact file about your chosen animal? See if you can research animals that are mammals, reptiles, amphibians, fish or birds.	Art/DT Can you draw and label your favourite animal/ Then see if you can make it out of any material you choose.	
RE Read or watch the story of creation from the bible. Which is your favourite part of the story? Why? Which bit do you like least? Why? Draw, paint or create the story in your own way.	History Research the Remembrance. Why do we remember? Now make an information booklet about Remembrance including as many facts as you can.	ICT If you have access to a tablet, see if you can download an art app and make your own art.	Maths Pick 2 numbers and add them together, do this 10 more times. Year 2 Pick 4 numbers and see if you can add or subtract them. What do you notice?	
English What would it be like to be a soldier? Write a detailed description of you getting ready to go to war, how are you feeling, what do you need, what do you hope to discover?	PSHE Think about something you would like to achieve by the end of Year 1/2. Write it down as a target and think about how you could achieve your goal.	Maths How many different coins can you find in your house? Can you work out how much money you have altogether?	Cooking Research a recipe and make toffee/chocolate apples for bonfire night!	
Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Children need to read their books 3/4 times so they understand it.		Maths – All children from Year 1 to Year 6 have all been provided with a log in for Numbots. Children should be completing at least 3x5 minutes each week.
