

 <p>CSM Homework grid</p>	<p>Badger and Deer</p>	<p>Learning question for the term Were the Anglo-Saxons really smashing?</p>	<p>Science focus for the term How different will you be when you are as old as your Grandparents?</p>	<p>RE focus for the term Hinduism</p>
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school. Please ask parents, family members or friends to join in and have fun. You can record this as writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed, please bring it in or take photographs so that we can see your amazing work. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members.</p>				
<p>Maths Practice rounding various numbers to the nearest ten, hundred and whole number using... Reasoned Rounding Game https://nrich.maths.org/10945 Rocket Rounding https://www.topmarks.co.uk/maths/games/rocket-rounding</p>	<p>English Complete the activities in the year 5/6 common exception words booklet.</p>	<p>Science Create a detailed timeline of a family member of key events in their life so far e.g. First steps/first tooth/starting school/learning to ride a bike...</p>	<p>Art Design and build an Anglo-Saxon settlement using card, boxes or any useful materials either bring these into school to display or take a photograph so we can see how you got on.</p>	<p>RE Choose a Hindu god or goddess to research – looking at their role and their responsibilities. Write a fact file about them and include a drawing of your chosen god/goddess.</p>
<p>History http://www.primaryhomeworkhelp.co.uk/saxons/placenames.htm We can plot on a map where the Angles, Saxons and Jutes settled from learning about the placenames they used for villages. Can you identify any place names locally which have their origins from the Anglo-Saxons period?</p>	<p>History In 2019 a team of metal detectives found Anglo-Saxon remains in a Lincolnshire village. Can you investigate the archaeological dig at Cammeringham, you can watch the videos, explore the photos section. Create a news report explaining the findings of the 'Searching For Saxons Project'.</p>		<p>English Write a detailed character description of either the boy or the father from our book FARTHER by Grahame Baker-Smith. You will be able to find a video of someone reading the book on YouTube.</p>	<p>PSHE Create a poster that shows us how to keep our bodies fit and healthy – include pictures and writing on your poster and aim to include all of the areas we need to focus on not just diet and exercise</p>
<p>Outdoor Focus Can you find some natural resources to print with? Add them to your art collage.</p>	<p>PE. During the summer holidays, Mrs Parker did a 30 days of fitness challenge and worked out every single day for 20 minutes. Can you do the same for 10-15 minutes every day? Look on YouTube for some inspiration such as Cosmic Yoga or PE with Joe.</p>	<p>Art Create an abstract collage using different items to print. Write a list of the different things that you have used.</p>		<p>Cooking Find a simple recipe that includes something that Vikings used to eat, for example, honey. Ask a grown up to help you make it.</p>
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.</p>			<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. 3 x 5 mins per week.</p>
