	<p>Year 6 – Home Learning Term 2</p>	<p>Learning question for the term</p> <p>Can you get me out of here?</p>	<p>Science focus for the term</p> <p>How could you light up your life?</p>	<p>RE focus for the term:</p> <p>Do you have to believe in God to be good?</p>
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p> <p>Please ask parents, family members or friends to join in and have fun. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
<p>Maths – Complete the Time Travel activities linked to learning your times tables facts, using what you already know to help you with trickier time stables.</p> <p>The sheets can be found on the Kestrels and Stags webpages on the school website.</p>	<p>English – Write a diary entry to tell us about an amazing place you have visited.</p>	<p>Science – create a shadow puppet show to present to your family at home.</p> <p>Please send in photographs via Class Dojo.</p>	<p>Art/ PHSE- Draw an outline of yourself and fill it with all the things you would like to tell us about yourselves. Like this one:</p> 	
<p>RE – Research a different World Religion and create a fact-file</p>	<p>History – Find out about a famous explorer and create a fact file.</p>	<p>Science – Explore a range of optical illusions e.g. https://www.optics4kids.org/illusions</p> <p>Explain which was your favourite and why.</p>	<p>PE – devise a 10 minute warm-up and stretching activity that you would be happy to share with the class in a PE session.</p>	
<p>English – Show us how you can take a sentence on a journey by starting with a really simple sentence, then improving it by adding in different punctuation and grammar that you have learned in your English lessons.</p>	<p>Reading:</p> <p>Read a book about a Journey.</p>	<p>Maths – create a map of a settlement using co-ordinates to locate key features.</p>	<p>Cooking – Can you cook a meal/ dish from another country? Where did it come from? How far away is this from the UK?</p>	
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Please encourage your child to fill in their reading record.</p>		<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars (5 Studio and 5 Garage) or Numbots. (at least 3x5 minutes each week)</p>
