

	<b>Class – Hedgehogs, Squirrels and Owls</b>	<b>Learning question for the term–</b>  <b>Who Set Fire to London?</b>	<b>Science focus for the term –</b>  <b>Materials and their everyday uses.</b>	<b>RE focus for the term –</b>  <b>Islam</b>
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p>				
<p>Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
<b>Maths</b> Have a go at this interactive nrich challenge. There are lots of ways to challenge yourself that are listed underneath the challenge!  <a href="https://nrich.maths.org/8282">https://nrich.maths.org/8282</a>	<b>English</b> Keep a diary of what you do over a weekend. Remember to use time words, keep it in chronological order and use the conjunction 'and' to add extra information and extend your sentences.	<b>Science</b> Go on a materials hunt around your house. See if you can find 5 items that are made from the following materials; metal, glass, rubber, plastic, fabric. Can you use scientific vocabulary to describe their properties such as rigid, transparent?	<b>Art</b> Here is the London skyline. Can you draw a bigger version of it?  	
<b>RE</b> Watch this video of Omar going on a trip to Mecca <a href="https://www.bbc.co.uk/bitesize/clips/z4yr87h">https://www.bbc.co.uk/bitesize/clips/z4yr87h</a> Draw a storyboard describing Omar's trip. Write a sentence to describe what is happening in each picture.	<b>History</b> Can you research 10 facts about The Great Fire of London? You could turn your information into a booklet by adding some pictures to it.	<b>ICT</b>  Design a poster on internet safety using the SMART acronym.	<b>Maths</b> <b>I'm Eight</b> Find a great variety of ways of asking questions which make 8. You could then choose your own number and repeat the task.	
<b>English</b> Research a fairy cakes recipe and then write out the instructions to make them for your cooking homework!	<b>PSHE</b> Our theme is being me in my world. Think of something that you can do to make the world a better place, then do it!	<b>Healthy Eating</b> It is harvest time. Go to the shop and choose some in season vegetables and create your own vegetable soup.	<b>Cooking</b> Read your recipe for making fairy cakes then have a go at making them!	
<b>Reading</b> – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Children need to read their books 3/4 times so they understand it.		<b>Maths</b> – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars. Children should be completing at least 3x5 minutes each week.
