

Wednesday 2<sup>nd</sup> February

What is wonderful about our world?

How often do you stop and look at the world around you?

Do you ever look at the stars at night time?

Do you ever stop and listen to the birds singing?

Follow the links to look at some images of our wonderful world.

<https://www.touropia.com/natural-wonders-of-the-world/>

If we looked at our world more often what do you think the impact would be?

Think about the images you have seen and create a poem using these starters.

I see....

I notice.....

I hear....

I want to say...

I smell...

I imagine...

I feel...

It reminds me of....

I taste...

It's like...

I wonder...

It makes me think....
