

Year: 3
Term: 6

Teachers
Rabbit class: Mrs Gemmell
Moles class: Miss Hicks
Mrs Quibell

Science focus for the term:
Light and dark

RE focus for the term:
The Good Life- Multi- faith unit

At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school. Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed, you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.

Maths

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Enjoy spending time every day practising maths tasks on Hit The Button.

English

Read and enjoy a variety of books by Anthony Browne or alternative retellings of fairy tales. Here are some examples:

Other Stories by the Same Author:	
The Tunnel	
Gorilla	
Hansel and Gretel	
Willy the Wimp	
Voices in the Park	
Piggy Book	
Other Books with Similar Themes: Fairy Tale Parodies	
Book / Resource	Author / Location
The Wolf's Story: What Really Happened to Little Red Riding Hood	Toby Forward and Izhar Cohen
Three Little Wolves and The Big Bad Pig	Eugene Trivizas and Helen Oxenbury
Waffle's Secret	Nicola Senior
The Lost Thing	Shaun Tan

Science

<https://buggyandbuddy.com/rainbow-science-create-light-patterns-with-a-cd/>

Turn your bedroom into a disco with these amazing rainbow light patterns!

Art

Explore the artwork of one other Pop Art artist. Can you create PowerPoint and present to our class?

Maths

Go on a walk outside and take photographs of right angles, acute and obtuse angles, 2-D and 3-D shapes.

English

Can you write and illustrate a survival guide for spending the night in a forest?

RE

What is your good life?
Draw and write about what makes you happy.

Outdoor Focus

<https://www.wildlifetrusts.org/30-days-wild>
Take part in The Wildlife Trusts 30 days wild at home!

Geography

Make your own erupting volcano.
<https://www.nhm.ac.uk/discover/how-to-make-a-volcano.html>

Cooking

Prepare a picnic food for you and your family. Take it on a day out and show us all a photograph of you enjoying your picnic.

PSHE

Explore the life cycle of your favourite animal.
Can you design a poster showing how it changes from a baby into an adult?

Art

Make a collage picture using found objects from nature. EG flowers, petals, seeds.....

Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.

Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
