

	Class: Year 3 Term: 5	Learning question for the term: The Ancient Egyptians are only known for their pyramids and mummies aren't they?	Science focus for the term: Plants	RE focus for the term: Christianity
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p>				
<p>Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
Maths Can you find fractions of amounts. Collect toys/ groups of objects together to sort into groups and write fractions to represent. EG. 10 Cuddly toys. 6/10 teddies 4/10 other animals. Draw and write about them in your homework book.	English Write a set of instructions for how to mummify a body.
