

Class: Year 3

Learning question for the term:

Science focus for the term:

RE focus for the term:

Is it a Monster or a Robot?

Forces

Hinduism

At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.

Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.

<p>Maths Place value Scavenger hunt. Use the attached sheet to find numbers in a newspaper, magazine or around your home. Take a photograph for each one.</p>	<p>English Draw a picture of yourself. Around the image, write what you see about yourself. On the inside of your image, write about your interests, what you like/ dislike.</p>	<p>Science Search around your home, can you look for and list different materials you think are magnetic and why? What do you notice about the materials?</p>	<p>Art Can you design your own Iron Man and Label what materials it would be made from?</p>

Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.

Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
