
	Class – Deer & Badger		Science focus for the term Living things and their habitats	RE focus for the term Christianity – Incarnation
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p>				
<p>Please ask parents, family members or friends to join in and have fun. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class Dojo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members.</p>				
Maths Research the currency that was used in Britain at the time of World War II and then use the currency to create your own weekly shopping list showing the total amount spent.	English Can you read a story set in World War II and discuss it with a friend or family member? The Lion the witch and the wardrobe – C S Lewis Carries War - Nina Bawden Friend or Foe - Michael Morpurgo Rose Blanche - Ian McEwan The Silver sword - Ian Serraillier How Hitler Stole Pink Rabbit - J Kerr Hitlers Canary - Sandi Toksvig	Science Grow your own plant at home and record its progress, measure its height and photograph it on a regular basis.
