

# Year 1 Term 4 Curriculum Newsletter

Dear Year 1 parents...

We hope you have had a lovely Half Term. The children have come back with big smiles, ready to learn.

Please remember this term...

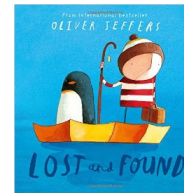

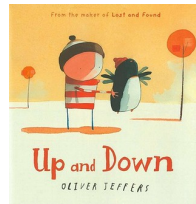

PE is on a Monday outside for ICP and IP so please make sure your child will be warm enough. IP will have indoor PE on Friday and ICP on Wednesday. Bring your reading book and planner to school everyday. Please also sign the planners to show that the children have read their books. REMEMBER to read at least THREE times a week at home.

As Coningsby Scientists we will start our learning by looking at the signs of Winter. We will be exploring plants and trees, looking at the different parts of each. We will explore deciduous and evergreen trees as well as identifying some wild plants.

As Coningsby Authors we will be looking at 2 books written by Oliver Jeffers - 'Lost and Found' and 'Up and Down'. We will be doing lots of Non-Fiction writing this term including an information booklet about penguins.

As Coningsby Mathematicians we will be counting in 2s, 5s and 10s. We will then be measuring length, weight and capacity.

## Where do I live?

In Geography, we will be learning some facts about the 4 countries of the UK. We will find out about where we live, learning our address and have a more focussed look at Coningsby.

As Coningsby Believers we will explore our church school value for this term - Thankfulness. We will be exploring Islam and looking at what Muslims do when they worship. We will also explore what happens in a Mosque.

In Art and DT this term, we will be using different media to make penguin pictures including, drawing, painting, collage and a paint programme on the computer.
