

THE CONINGSBY CONNECTION!

SEPTEMBER 2026 WEEK 3

Another Wonderful Week at CSM

We have enjoyed another fantastic week at CSM, filled with happy children who are eager to learn and achieve. It has been wonderful to see so much enthusiasm and engagement across the school.

The children have been working incredibly hard in their classrooms, and I have been particularly impressed by the amazing home learning completed by our Year 3/4 children. Nothing pleases me more than seeing children choosing to extend their learning beyond the classroom. This week, I received incredible photographs, a fantastic robot model, and some beautiful artwork. The creativity and effort on display were truly inspiring.

Our Reception children continue to learn through play and are always excited to share their learning when I visit their classroom. Their confidence and enthusiasm are a joy to see, and they are making excellent progress as they explore, discover and develop new skills. Robins Class have been busy during their Forest School sessions, enjoying the outdoors while making dens and creating magical potions. These experiences help develop teamwork, imagination and resilience as they learn in a different environment.

In Year 1/2, children have been working hard on telling the time, showing great determination as they develop this important life skill. Meanwhile, Year 5/6 have been immersed in some exciting texts, exploring the epic tale of Beowulf and the classic story of King Kong. Their discussions and ideas have been thoughtful and engaging, and they have thoroughly enjoyed delving into these fascinating narratives.

It is always a privilege to walk around the school and see the enthusiasm, creativity and determination of our children. Thank you for your continued support, and I hope you all have a wonderful weekend.

BOOK FAIR IS COMING TO CSM!

Scholastic Book Fair

We are delighted to be hosting our Scholastic Book Fair in school from 6th to 9th October. This is a fantastic opportunity to browse a wide range of exciting books, pick up an early Christmas gift, or simply treat your child to a new book to encourage a love of reading.

The Book Fair will be open in the school library from 3:30pm each afternoon, and we would love as many families as possible to come along and take a look.

Not only is it a wonderful chance to discover some great reads, but every purchase helps our school too. The more books we sell, the more free books we receive for our school library, helping us to continue growing our collection for all children to enjoy.

While you're visiting, why not take a peek at our newly developed library? The **Enchanted Forest** has quickly become a magical space where children can relax, explore new worlds and discover the joy of reading. It really is a wonderful place to get lost in a book!

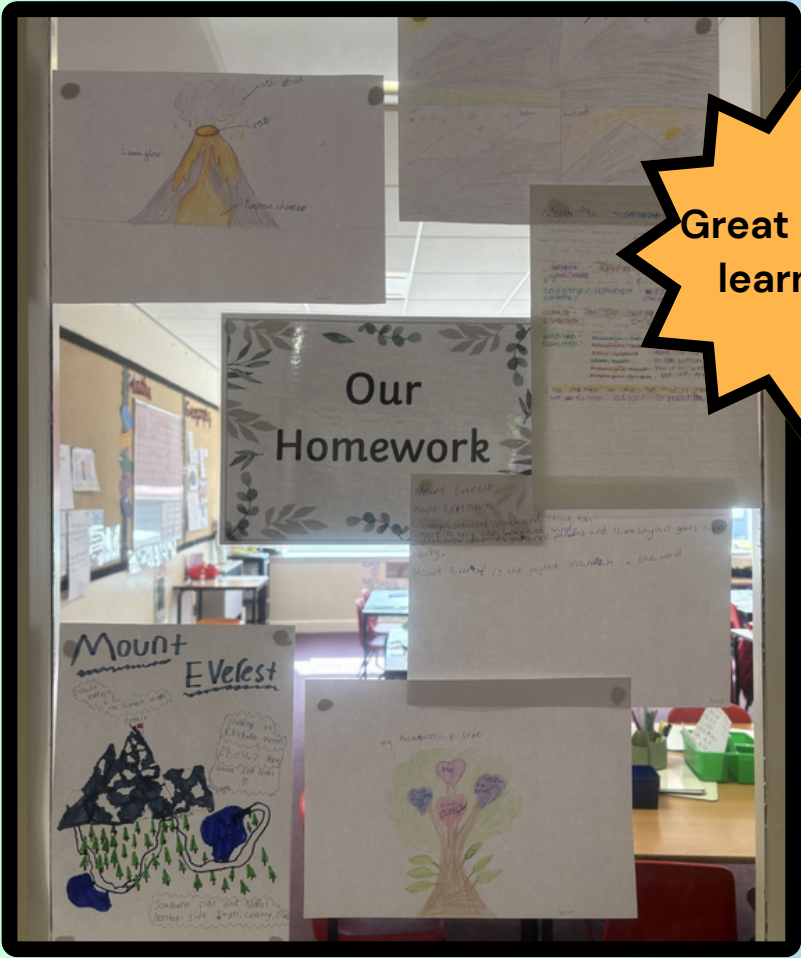

We look forward to welcoming you and hope you can join us for this special event.

Happy reading!

EYFS!

A SUPER START TO THE YEAR FOR ATTENDANCE!

We have made a brilliant start to the school year, with our whole-school attendance currently standing at **96.3%**. This is well above national figures and is something we should all be incredibly proud of. A huge well done to our children, families and staff for working together to ensure that children are in school every day, ready to learn and thrive. At CSM, we know that every moment counts. When children are in school, they are learning new skills, building friendships, developing confidence and taking part in the rich experiences that make school such a special place. Every lesson, every conversation and every opportunity contributes to their success.

Thank you for your continued support in helping your children attend school regularly. Together, we can ensure that every child has the very best chance to Believe, Aspire and Succeed.

Keep up the excellent work, CSM!
