

Home Learning Week Commencing 22.11.21

RWI

Mrs Dobson's Group – write a setting description for your own planet based on the story 'Beegu'. Use your planet to create a story about what could happen there. Remember to use expanded noun phrases and conjunctions in your writing!

Maths

Complete the following subtractions using drawings / concrete objects.

$$45 - 18 =$$

$$31 - 16 =$$

$$82 - 46 =$$

$$57 - 28 =$$

$$32 - 26 =$$

We are also looking at making bonds to 100. What would you need to add to these numbers to make 100?

RE

This week, we are learning about Christian weddings. If someone at home has been to a wedding, ask them about what happened. The most important part of a Christian wedding are the vows (promises) that the people getting married make to each other.

What promises do you think people who love each other very much could make?

Create a mind map of these.

History

This week, we have been learning about Neil Armstrong. Watch the below videos. How would it have felt to be Neil Armstrong? What do you think he was thinking about?

Write a diary entry imagining that you were Neil Armstrong and you had just been to the moon!

<https://www.youtube.com/watch?v=1pQKZc2AXW0> (from 3 minutes to 6 minutes)
