
	<p>Class: <b>Year 3</b> Term: <b>5 and 6</b></p>	<p>Learning question for the term: <b>Can I still find a dinosaur?</b></p>	<p>Science focus for the term: <b>Rocks</b></p>	<p>RE focus for the term: <b>Christianity</b></p>
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p>				
<p>Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
<p><b>Maths</b></p> <p>Can you create some fractions questions that involve dinosaurs and then answer them e.g. There are 24 dinosaurs, <math>\frac{1}{4}</math> of them are carnivores, how many are carnivores?</p>	<p><b>English</b></p> <p>Term 6: Can you plan and write your own captive narrative about your mythical creature?</p>	<p><b>Science</b></p> <p>Can you do a rock investigation in your own garden and identify what type of rocks you have.</p>	<p><b>Art</b></p> <p>Can you create your own sketch of a dinosaur fossil?</p>	
<p><b>Maths</b></p> <p>Have a go at putting fractions on a number line, try using different denominators - <math>\frac{1}{4}</math>, <math>\frac{2}{4}</math> and <math>\frac{3}{4}</math></p> 	<p><b>English</b></p> <p>Can you create your own mythical creature like Starbird? Write a character description of your creature using similes.</p>	<p><b>RE</b></p> <p>Can you write a diary entry about one of the events from Easter Week? Remember to include how you might have felt.</p>	<p><b>Outdoor Focus</b></p> <p>Go on a walk and find a plant or flower you think is beautiful. Create a drawing of it and label each part.</p>	
<p><b>History</b></p> <p>We have been learning about Mary Anning. Research a different famous person from History and create a fact file.</p>	<p><b>History</b></p> <p>Research a dinosaur and create a fact file showing your findings.</p>	<p><b>PSHE</b></p> <p>In PSHE, we are learning about Democracy. What laws do you think are important and why? If you could change a law or make a new law, what would it be?</p>	<p><b>DT</b></p> <p>Can you design a home or enclosure for a dinosaur, you may want to sketch this out first and then make a model of it?</p>	
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.</p>		<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.</p>
