

Afternoon lessons – week beginning 12.7.21

Mon – Can I create a fact file pollution?

Use sub-headings and research some facts about pollution to make your fact file. Remember to use pictures too.

Use this website to help you <https://easyscienceforkids.com/all-about-pollution/>

Tuesday – PE

Follow this link to do some kids cosmic yoga about fairies, or take your dog for a walk!

<https://www.youtube.com/watch?v=OKjd7OamQsI>

Wednesday – What do I know about lifecycles?

Using your knowledge from last week about the lifecycle of a butterfly, can you draw a lifecycle of your choice and make an information text about it?

Here is a website to help you <https://www.activityvillage.co.uk/life-cycles>

Thursday – Can I research, draw and colour some unusual fish?

Research some unusual fish from the deepest parts of the ocean.

Find some of your favourites to draw and colour in.

Friday – Can I retell the Christian story of The First Christmas?

Watch the following clip about Christmas then create freeze frames of different parts of the story, showing clearly how the different characters (Jesus, Mary, the disciples) would have been feeling at that part of the story.
