

## English

Monday 30<sup>th</sup> November

LQ: What are the features of an information text?

Have a look around the house, can you find any books? See if you can sort them into information books and story books. Do you know the difference? What does fiction mean? What does non-fiction mean? Now that you have 2 piles, can you identify the features of each?

Tuesday 1<sup>st</sup> December

LQ: Can I collect information?

Put the planet facts around the house or garden for children to find. When they find them, they need to write down the facts onto post-it note or a piece of paper.

Wednesday and Thursday 2<sup>nd</sup> and 3<sup>rd</sup> December

LQ: Can I organise information?

Children now need to organise their notes, they can use subheadings to record their planet facts onto a fresh piece of paper.

Friday 4<sup>th</sup> December

LQ: Can I write my information text?

Can you transfer your information into a booklet? Just start it today by doing Jupiter as we will be spending the whole of next week making our booklets with the rest of the planet facts as well as pictures and a cover.
