

History - week commencing 30.11.20

Tim Peake fact file

Discuss with your child what they have learnt about space so far this term and gather the facts that they can remember. Discuss with your child that Tim Peake was the first astronaut in space for over 20 years when he blasted off for the International Space Station on the 15<sup>th</sup> December 2015. He travelled in a Russian Soyuz rocket launched from Kazakhstan.

Use a computer or iPad to explore <http://www.bbc.co.uk/guides/z822hw4> and use this to create a fact file about Tim Peake.

Also look at the Tim Peake fact file on the website.

I can't wait to see your factfile!
