Below are some activities so that children can continue their learning during the school closure.

Complete a poster all about yourself for your new teacher. Use the template on the next page.

Amaze your new teacher with some of the maths you know. It can be about any part of maths. Show it in the space below.

Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. We would love to know about what books you have been reading, so why not write a book review when you have finished!

Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.

All About _____

The Facts

This is me!

The things I love most

When I grow up I
want to be...

Something
interesting I have learnt
this year:

Three awesome things to know about me:

1.

2.

3.
