	Class: Year 3	Learning question for the term: Who would live in a place like this?	Science focus for the term: Animals including Humans	RE focus for the term: Islam
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p> <p>Please ask parents, family members or friends to join in and have fun. You can use your homework task book for writing tasks, evidence logs, saving photos or collecting any other evidence of your learning. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
<p>Maths Roll a dice to create two 2-digit numbers and use column addition to add the numbers together. Think carefully about when you will need to exchange. Challenge: Try 3-digit numbers.</p>	<p>English Can you create your own time capsule? Write a letter to yourself to open in the future. Think carefully about the features you will need to include in your letter.</p>	<p>Science https://blog.sonlight.com/muscle-science-activity.html Have a look at this tutorial and see if you can build a model of an arm with working muscles!</p>	<p>Art Create a self-portrait in the style of Georges Seurat (pixel pointillism)</p>	
<p>Maths Practice your times tables by creating groups of objects. Focus on your 3, 4 and 8 times tables.</p>		<p>English Can you write a poem about Christmas? Think about all we have learned in English about poetry and similes.</p>	<p>RE Can you research Islam places of worship? Draw a picture, label it and write some of the things that Muslims do when they worship.</p>	<p>Outdoor Focus Create a piece of artwork out of things you find outside.</p>
<p>Maths Play hit the button to practise your number bonds to 100.</p>	<p>Geography Create a fact file about your local area including nearby cities, towns and villages.</p>	<p>PSHE Write a biography about somebody in your family.</p>	<p>DT Build a boat to help Jemmy Button travel to the other side of the world. Can you make a boat that floats?</p>	
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.</p>			<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.</p>
