

Year 1 Term 6 Curriculum Newsletter

Dear Year 1 parents...

We hope you have had a lovely half term holiday. We have lots of exciting things planned this term.

Please remember this term...

PE is on a Thursday - one of our sessions will be with a specialised sports coach. Bring your reading book and planner to school everyday. Please also sign the planners to show that the children have read their books. Remember to keep practising your words.

As Coningsby Scientists we will be recapping our knowledge on materials and their properties. Then we will be investigating which materials would be the best to use for armour, castles and for making a drawbridge.

As Coningsby Authors we will be focussing on books about Dragons. We're starting with Tell me a dragon and will also be looking at the book Dragon Stew.

As Coningsby Believers we will explore our church school value for this term - Truthfulness. Our Bible story of the term is 'The armour of God - Ephesian 6:11-17

We will also be exploring the different places people go to worship for example a synagogue, temple, masjid.

Where do Dragons live?

In History we will be learning all about Castles. We will be looking at the different parts of a castle, what jobs were available in castles, and what foods would have been served at banquets. We will also be having a topic day with jousting and medieval dancing!

As Coningsby Mathematicians we will be learning all about 3D and 2D shapes, multiplication, division and fractions.

In Art and DT this term, we will be doing some art to link with our topic. We will be designing and making models that move.
