

Class: 1C and 1P

Home learning: 4th May 2020.

Learning question for the term:
Will it snow this summer?

Science and Geography focus for the term: Weather

RE focus for the term:

Places of worship: Christianity

Fill in the calendar you made for May last week. What activities are you doing on each day? You could keep it as a memory of this unusual time. You could also use it to record what the weather is like each day!

<https://www.anglianwater.co.uk/siteassets/household/in-the-community/aw-education-pack-lesson-2-how-do-i-clean-the-water.pdf>

This is the second lesson provided by Anglian Water! It is full of information and activities again!

Carry on accessing the online daily phonics lessons by following this link. Try out the year 1 lessons if these are too tricky have a go at the reception lesson. This is good practice for all children.

What are the key features of a church and how do they connect with Christian beliefs about God, the world and ^[SEP]human beings? (Try to pick no more than three key features, e.g. font, altar and candles, and focus on these in the ^[SEP]different worship spaces.)
Explore images of the inside of different Christian churches. What do they all have in common? Choose three to draw and label. Why are they important to Christians?

<https://www.historystorytime.com/e/florence-nightingale-the-lady-of-the-lamp/>

Listen to these clips of important events in history told by two sisters, aged 4 and 7 and their Daddy! Could you make your own recording of an event in history with someone in your family?

Perhaps you could use some of the ideas from the VE Day activity grid to help you!

<https://www.youtube.com/watch?v=9S7DY2lgIU>

Watch the video all about syllables. Next time you read your reading book, tell your grown up how many syllables are in each word on one of the pages in your book.

Carry on being phoneme detectives like last week too!

What is a drought?

What causes a drought?

Can scientists predict a drought?

Has there ever been a drought in the UK?

Can you research the above questions and present your finding as a news report?

Ask your grown ups to film you as if you were a news reporter.

<https://www.youtube.com/watch?v=GvTcpfSnOMQ>

<https://www.youtube.com/watch?v=EemjeA2Djjw>

<https://www.youtube.com/watch?v=-gmEe0-ex8>

Use the videos to practice counting in 2s, 5s, and 10s. Afterwards write them down without using the video. Make sure you double check your work!

In the book, March brings the baby rabbit problem! It says they needs to be fed, comforted and cleaned. Can you write some instructions about how they can look after their baby rabbits? Think about how you are looked after at home.

<https://www.youtube.com/watch?v=Gxo8orZ1X7g>

Watch the clip and have a go at making your own sundial.

This Let's dance follows on from last weeks!

<https://www.bbc.co.uk/programmes/p0440fqd>

It's meant to be sunny again next week so try drawing round each others shadows with chalk in your garden or line up some toys and draw round their shadows onto a piece of paper.

Don't forget to share your work with us.

<p>Paint or draw a picture of a sunny day. Then paint or draw a picture of a rainy day. Use some adjectives to describe each one. Think about how you feel or your mood when you look at each.</p> <p>Remember adjectives are words we use to describe!</p>	<p>https://www.twinkl.co.uk/resource/how-to-grow-a-rainbow-experiment-science-activity-t-sc-2549961</p> <p>Can you grow a rainbow? Try this experiment.</p> <p>After this, get a grown up to help you find out why we can see real rainbows sometimes and write some sentences about it.</p>	<p>Learn some more French</p> <p>https://www.youtube.com/watch?v=-4kNeFGBAcw - to practise colours</p> <p>https://www.youtube.com/watch?v=Ub-V1n6zpQE - to practise animals and animal noises</p> <p>https://www.youtube.com/watch?v=nJ03KjwiIVM - to practise fruits</p> <p>https://www.youtube.com/watch?v=QFNIFSAFshI - to watch Peppa Pig live in French</p>	<p>Can you make an afternoon tea for VE Day?</p> <p>Write a menu.</p> <p>Make your own sandwiches.</p> <p>Bake a cake or some scones.</p> <p>Design and make a special VE day mocktail.</p> <p>Present your VE day afternoon tea beautifully</p>
<p>Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books.</p>		<p>Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.</p>
