

**Can you arrange  
them into the  
Numicon Patterns?**

**How many?**

**Estimate how many objects there are. Arrange them into the Numicon Patterns to check.**

**Can you say how many 10s there are without counting?**

**Can you think of  
a quick way to find  
how many without  
counting?**

**Can you  
find some other  
objects to count?**
