

	Year 6	Learning question for the term Is Big Brother always watching?	Science focus for the term How could you light up your life?	RE focus for the term: Do you have to believe in God to be good?
<p>At Coningsby St Michael's, we believe all areas of the curriculum are important. This term we would like you to choose a minimum of 4 activities from the grid below, as your homework tasks. Other than reading and times table practise, no weekly homework will be set. We hope that this style of homework will encourage everyone to take part and give parents a chance to become more involved in working with their children on fun, creative and exciting activities. Children's completed homework tasks will be recorded and monitored. Children who successfully engage in home learning tasks will be rewarded at school.</p> <p>Please ask parents, family members or friends to join in and have fun. When each task is completed you need to bring it in or take photographs. The photographs do not have to be printed and can be sent to your class teacher using Class DoJo. When evidence is seen we will tick off your tasks and record your choices. We are hoping by giving everyone choices that a selection of activities will be completed by pupils with support from family members. Teachers will speak to parents if children are not engaging in home learning activities.</p>				
Maths – Create a code breaker message. Here is an example: https://justmaths.co.uk/2016/09/10/code-breakers/	English – Write an application form for a job as a Secret Agent. What skills and experience would you bring to the role?	Science – create a shadow puppet show to present to your family at home.	Art – Design the ultimate Secret Agent Gadget. What hidden extras will it include? Draw your design and add notes.	
RE – Research a different World Religion and create a fact-file	History – Find out about spies throughout history e.g. The Enigma Machine.	Science – Explore a range of optical illusions e.g. https://www.optics4kids.org/illusions Explain which was your favourite and why.	PE – devise a 10 minute warm-up and stretching activity that you would be happy to share with the class in a PE session.	
English – Write an extract from your Secret agent log. What mission have you recently completed and what happened?	PSHE – Create an information leaflet about drug and alcohol awareness.	Maths – create a spy map using co-ordinates to locate a hidden super-villain base.	Cooking – Using your meal plan can you prepare or help to prepare at least one of the meals.	
Reading – Children should be encouraged to read every day. Please spend 5 or 10 minutes listening to your child read and discussing their books. Please encourage your child to fill in their reading record.		Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars (5 Studio and 5 Garage) or Numbots. (at least 3x5 minutes each week)
