Below are some activities so that children can continue their learning during the school closure.

<p><u>English</u></p> <p>Your task is to write a letter to a Year 5 child explaining what it is like to be a pupil in Year 6. Write about such things as:</p> <ul style="list-style-type: none"> • All the good things that happen • What the teachers are like • What the work is like. • What support there is <p>Use the letter template on the following page to help you.</p>	<p><u>Maths</u></p> <p>Choose an area of maths that you are confident with such as adding and subtracting fractions with different denominators, dividing a 4 digit number by a 2 digit number, naming parts of a circle, how to draw a line graph / pie charts etc. Your task is to explain to a Year 5 child how to do this area of maths. Write your explanation in the area below.</p>

Reading – Children should be encouraged to read every day. Please spend 20 or 30 minutes reading everyday and discussing books. We would love to know about what books you have been reading, so why not write a book review when you have finished!

Maths – All children from Year 1 to Year 6 have all been provided with a log in for Times Table Rockstars or Numbots. Children should be completing at least 3x5 minutes each week.
