BELIEVE · ASPIRE · SUCCEED

Welcome to Coningsby St Michael's Church of England Primary School.

At Coningsby St Michael's, every child is known, valued and encouraged to shine. We are a welcoming school where children feel happy, safe and inspired to become the very best version of themselves.

Located in the heart of Coningsby, close to RAF Coningsby, we are proud to be part of a caring community. As a Church of England school, our close links with St Michael's Church and the Diocese enrich school life through worship, celebrations and shared community events.

Our library is much more than a place to borrow books. It's a community hub where families can access workshops, toddler groups, adult learning, RAF support and opportunities to learn together.

An inspiring curriculum

Our ambitious curriculum is designed to help every child flourish academically, socially, emotionally and spiritually.

Learning is carefully sequenced so that children build secure knowledge and understanding over time. Alongside acquiring important subject knowledge, pupils develop the skills and ways of thinking needed to become historians, scientists, artists, geographers, mathematicians, authors and responsible citizens. Each subject revisits and deepens previous learning, enabling children to make meaningful connections and apply their knowledge with increasing confidence.

We believe learning should be exciting, purposeful and memorable. Our curriculum is enriched through a wide range of practical experiences including:

- Baking and cooking
- Design and technology projects
- Gardening and environmental learning
- Forest School
- Educational visits
- Visiting experts and workshops
- STEM experiences
- Creative arts and music
- Sporting opportunities

Every child known.
Every child valued.

At Coningsby St Michael's, inclusion is at the heart of everything we do.

Guided by Unconditional Positive Regard, we believe every child deserves to feel respected, supported and successful. Strong relationships help children develop confidence, resilience and a genuine love of learning.

Pastoral care

Our dedicated team supports every child's wellbeing through personalised provision, including LEGO® Therapy, Sand Play, mindfulness, therapy dog sessions, ELSA support, emotional regulation, Feeling Detectives, sensory circuits and our purpose-built sensory room.

Inclusion & SEND

Inclusion is at the heart of all we do at Coningsby St Michael. We champion inclusive practice throughout our school, ensuring that every child can access a curriculum tailored to their needs. Adaptive practice is used across our classes so all children can access learning at their level, but still provides challenge.

"The school is on a strong upward trajectory with clear commitment, strategic direction, and reflective practice evident across the community. The school demonstrates a deeply values-driven, relational and inclusive culture rooted in its vision that 'all will be welcome' and 'every child will be successful.' Leadership is reflective, proactive and committed to early identification, pastoral support, and equitable access."
Lincolnshire County Council, Inclusion Report

SEND Hub

At the beginning of 2026, we opened one of Lincolnshire's first dedicated SEND Hubs; a purpose-designed, fully adapted space developed in partnership with Lincolnshire County Council. The Hub provides a specialist environment for pupils with Education, Health and Care (EHC) plans, enabling them to access a personalised curriculum while benefiting from meaningful opportunities to learn, socialise and thrive alongside their peers in the mainstream school community.

Learning beyond the classroom.

Some of our most memorable learning happens beyond the classroom.

Enrichment

We believe learning should inspire.

Children enjoy a wide range of clubs, educational visits, music, sport, creative workshops and themed experience days that broaden horizons and nurture individual talents.

Working closely with RAF Coningsby, our exciting STEM programme brings science, technology, engineering and maths to life through coding, investigations and real-world design challenges

Forest school

We are so lucky to have our very own Forest school outdoor learning experience that fosters resilience, teamwork, independence, well-being and curiosity. Rooted in our science, PSHE/RSE, Geography and art, our sessions encourage pupils to observe natural patterns, engage in sustainable practices (gardening and planting), and reflect on their place in the world.

Supporting military families

As a school situated close to RAF Coningsby, we understand the unique experiences of military life and are committed to supporting service children and their families.

Working closely with the RAF Community Liaison Team, we proudly host our award-winning Military Kids Club, providing a welcoming space where children from military families can build friendships, share experiences and support one another, particularly during periods of deployment.

We are immensely proud that our Learning Mentor, Natalie Williams, was recognised nationally as Service Children Advocate of the Year for her outstanding commitment to supporting military families.

LAAT

Proud to be part of Lincoln Anglican Academy Trust

As part of Lincoln Anglican Academy Trust (LAAT), our school benefits from being part of a strong and ambitious family of schools serving communities across Greater Lincolnshire. United by a commitment to go Above and Beyond for every child, colleague and community, the Trust believes in the transformative power of education and the potential of every child to flourish.

Through the support of experienced school leaders, a collaborative network of schools and a dedicated central team of specialists, LAAT enables us to provide exceptional opportunities for our children. This shared expertise, combined with a strong sense of purpose and partnership, helps us inspire, nurture and make a lasting difference in the lives of all our pupils.

We'd love to meet you

The best way to experience Coningsby St Michael's is to come and see us.

Meet our wonderful children, dedicated staff and welcoming community. Explore our classrooms, visit our Forest School and discover how we help every child to Believe. Aspire. Succeed.

To arrange a visit, please contact the school office.

We look forward to welcoming you!
